KCS/317/2017

Dear Parents,

度九十, 记得前人历尽艰辛
迎百年, 为后人再创辉煌

In 2017, we have seen a number of new learning experiences and achievements. We celebrated our 90 years of heritage and success and are especially grateful for your generous support for our fund raising efforts. We are also heartened by the Values-In-Action (VIA) projects that our students have embarked on. These VIA projects are part of our efforts to empower them to lead and impact the community, and be future-ready. In this last memo of the year, we will like to share some important school matters.

PSLE Results & Posting to Secondary Schools

The 2016 PSLE results will be released **tentatively between 24 to 27 Nov**. Students may apply for their secondary schools via Secondary One-Internet System (S1-IS) within seven days after the release of the PSLE results. When the S1 posting results are released, students are to return to KCS to collect their posting results, report books and PSLE leaving certificates.

School Upgrading

As shared in our Oct Memo, we would be closing our back gate in 2018 when the construction of the new Indoor Sports Hall begins in 2018. The decision was made with deliberation and inputs from various stakeholders (Project Consultants, SMC, PSG) since the planning of this aspect in mid 2017. We seek parents' understanding that while we endeavor to minimize inconvenience, the safety and security of our students remains our key priority. We will communicate to parents more details about the back gate closure date when it is confirmed, in early 2018. We have also arranged to engage concerned parents on **Sat, 18 Nov 2017 at 9am** in school. We thank parents for the support in working around the constraints with us, as we appreciate the benefits of on-site upgrading (as opposed to an off-site upgrading project) along the way.

School Hours

We had mentioned in our Sep Memo on the revision of school hours from Jan 2, 2018. The change is made to implement the full increase of Physical Education (PE) periods for all P1 to P6 classes. We would like to share the information once again with you as you prepare your child to return to school in 2018. Our stakeholders for e.g. bus vendors, canteen vendors, book store, school-based and external student care centres have been informed about the change and will provide the necessary support.

2018 – A Fresh Start

Details on the purchase of school uniforms and textbooks can be found overleaf and we look forward to receiving our students bright and early at 7.15 am on **Tue, 2 Jan 2018**.

In a recent Learning Journey to The FinLab at One-North, the speakers shared about resilience and adaptability being two important attributes that they would like to see in Singapore students. In Kheng Cheng School, as we continue to develop students to be future-ready, we encourage parents to also ride the waves of change with us in the next few years: revised PSLE scoring and as such the student allocation for P3 (2018), new school hours, Learning for Life Programme (Student Voice in VIA) and PERI upgrading challenges.

Have a good holiday season ahead.

Sincerely,

Mdm Sarah Leong
Principal
