Dear Parents,

A Host of Daffodils

3 Generations of Teachers
1st Gen: Mr Lee (R3), Mdm Koo (R1) | 2nd Gen: Mdm Lee (R2), Ms Teo (L2), Ms Leong (L3) | 3rd Gen: Ms Tan (L1)

We recently worked with print media Zaobao on an article for the school's 90th Anniversary Celebrations, and were humbled by our own inter-generational family of teachers who were also alumni, and how they continue to believe in and serve in Kheng Cheng. We would also like to express our utmost appreciation to our stakeholders for helping us raise \$140k to date, with our Donation Card Drive and Family Movie Day!

We continue to appeal for your support and partnership as we work towards our 90th Anniversary Gala Dinner on 30 Jun, as well as planning for the **on-site PERI upgrading project**. We are working with the architect team to phase in the upgrading works and will arrange for a briefing session in Term 4 for parents to find out more about the plan for school operations during this period. Safety undergirds our continued attention to the total learning experiences and care for the students.

Our Pride and Joy

For the second year running, we participated in the **Singapore Amazing Flying Machine Competition 2017** held on 13 Mar at the Singapore Science Centre. One of our teams, The Force, rose above the rest and clinched the Best Presentation Award! Congratulations to Iman, Amberlyn and Jone Yarn from 4.4. Kek Si Qi, Zarah from 6.5 also won the Merit Award in the **National English Writing Competition 2017**. At the English oracy **Moo-O Contest 2017**, our P3 team comprising Yee Sinn, Savelle and Rianne clinched the Silver Award. Our Red Cross Link won Silver in the **First Aid National Championship 2017** and the Kestrel Cub Scout Unit achieved Silver in the **Frank Cooper Sands Award**, an award for unit excellence. Well done!

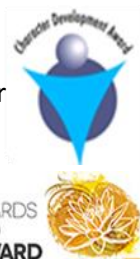

Moo-O Contest 2017

Conclusion

At our 90th Founder's Day Assembly on 3 Mar, Mr Goh Peng Tong^{BBM}, SMC Honorary Chairman, said with pride and honor, "Kheng Cheng School is my Alma Mater." It resonated with all present that day. The School Management Committee will re-energise its approach in the next few years, and has started work with the review of the Alumni. All these move in tandem with the school's 90th Anniversary Celebrations and we are appreciative how our stakeholders have come together to partner the school in preserving what is enduring from the past and present, and build for the future. In the months ahead, we look forward to Open House 2017, the 90th Anniversary Commemorative Magazine, as well as the 90th Anniversary Gala Dinner, to honor staff and stakeholders who have supported the school and students all these years!

Sincerely,

Mdm Sarah Leong
Principal
