Dear Parents,

It Takes a Village to Raise a Child

As the saying goes, it takes a village to raise a child. Kheng Cheng is an aided school, started and raised by the community. Our journey would not have been possible if not for the support and contributions of all our stakeholders. As we round up a semester of hard work, we would like to thank you for your strong support and partnership. Let us make time for our family and one another during the holidays. The little things do matter!

Return of Report Book and Travel Declaration

Please ensure that your child's report book and other documents are duly signed and returned to the Form Teacher by **Tue, 27 Jun**.

Parents of all P1 children need to declare their travel plans of their P1 children, regardless of travel intent. This is because P1 parents and their children are new to the school environment and it is helpful for them to be reminded of their personal role in exercising social responsibility. For other levels, parents need to declare the travel plans of their children only if their children intend to travel. Travel declaration can be done on-line at <https://www.mconline.sg>. This is to facilitate contact tracing should the need arise.

The School Bookshop

After serving the school for twenty years, our bookshop vendor Mr and Mrs Tan have decided to retire from the business. We will welcome a new vendor in Semester 2. Parents/students can buy their school uniforms/stationery from 8 a.m. to 11 a.m. from 29 May to 2 Jun. The new vendor will start operations from 27 Jun. We wish Mr and Mrs Tan the best of life in their next chapter ahead.
