Dear Parents,

Be the Change: Be Ready, Be Prepared

On 7 Feb, we conducted an emergency preparedness exercise with Toa Payoh NPC and MOE Security and Emergency Planning Office. We simulated a security incident in school and conducted a lockdown followed by a whole school evacuation to an external holding area. The recent US Parkland school shooting incident on 14 Feb aptly reminded us of the need to be always ready and prepared. Parents can support our endeavor by ensuring that your child's emergency contact and medical information is updated at the beginning of each school year. Parents can also talk to your children about emergency preparedness so that they understand and be empowered citizens in a crisis.
