Dear Parents,

## ***Be the Change: Be Creative***

**The stage is empty. The audience is anticipating. The performers are getting ready!**

Just a few weeks ago, our Angklung, Chinese Orchestra, Choir and Dance performing arts groups took part in the Singapore Youth Festival (SYF) Arts Presentation 2018. The journey of practice and teamwork has allowed our starlets to see the world in many ways. They gained awareness about themselves and picked up creative skills in their journey to perfection. They were mightily diligent and looked out for their teammates. Thank you parents for allowing them to soar in this SYF journey. With our *Arts Festival* approaching on 30 June, our students are working hard to put up a night of entertainment at the newly renovated Singapore Conference Hall! Let's support them in creating a memorable learning experience and the opportunity for them to once again shine on a big stage, like the stars that they are!

## ***Our Pride and Joy***
