Dear Parents,

Getaran Jiwa

In the recent Majulah Singapura Lecture, DPM Tharman Shanmugaratnam called for a new spirit in education, and the need for us to keep evolving. To develop the Entrepreneurial Dare and nurture the Singapore Spirit in our students, we have implemented the Values-in-Action (VIA) Projects across all student cohorts. This would be the school's Learning for Life Programme through Student Voice. Do check in with your children on their class VIA projects and what it meant for them.

Our Pride and Joy: SEC – Starhub SGA 2017

The Singapore Environment Council (SEC) - StarHub School Green Awards (SGA) is a self-audited voluntary environmental programme which serves as a platform for students to develop and showcase their environmental efforts, through customised activities which will help them gain a better understanding of the environment. We are pleased to share that we have been awarded the Lotus Sustained Achievement Award 2017. A job well done to our students and staff for keeping our school environment clean and green!

We thank you for being part of this amazing journey for the past six years and invite all P6 Parents to this concert on Wed, 15 Nov at 4pm.
