KCS/268/2018

Dear Parents,

Be the Change: Encourage and Be Encouraged!

PSG Bowling cum Appreciation 2018

We celebrate the close of another academic year, and believe that the legacy of a child mimics the stars in our galaxy – some shining bright, some starting to glow, others yet to show. All our stars will no doubt emanate their brilliance, throughout time and space. We believe that every child, will succeed regardless of the paths they take. Thank you for the partnership in being the guideposts and cheerleaders for our children to discover the light within!

PSLE Results & Posting to Secondary Schools

The 2018 PSLE results will be released ***tentatively between 22 and 26 Nov (both dates inclusive)***. Students may apply for their secondary schools via Secondary One-Internet System (S1-IS) within seven days after the release of the PSLE results. When the S1 posting results are released, students are to return to KCS to collect their posting results, report books and PSLE leaving certificates.

Assessment of Students' Academic Performance in 2019

In view of the MOE's recent announcements made on school-based assessment changes in primary schools, our school is currently reviewing our assessment framework and weightages for the different levels, especially Primary 1-3. As such, please be informed that the assessment information will be excluded in our 2019 Handbook. We will be sharing the details of our assessment plans with you at the annual Parents Briefing in January next year.

Seize the precious days and weekends to catch up on one another's lives, before we rally once again to commence another exciting year of learning in 2019!

Have a good holiday season ahead.

Sincerely,

Mdm Sarah Leong
