29 Jun 2018

KCS/170/18

Dear Parents,

## Be the Change: Building Bridges, Enhancing Engagement

(L) Students from P3.4 video conferencing with their global friends from Durack State School, Brisbane on 21 May 18. (R) Miss Goh Ming Sze teaching during her exchange to Durack in Mar 18.

In Kheng Cheng School, we seek learning opportunities for our students to gain global perspectives whenever possible. In March 2018, our HOD/Mathematics Miss Goh Ming Sze was part of the Singapore team in the “Building Relationships through Intercultural Dialogue and Growing Engagement” (BRIDGE) Programme in Australia. This is an international initiative that establishes school partnerships between teachers, students and school communities across the region. As part of BRIDGE, P3.4 will collaborate with our partner school, Durack State School from Brisbane, Australia on a project. At the end of this project, our students will become global citizens, using technology to connect with and understand another culture. We hope that students will be able to develop life-long friendships with students from Durack State School!

### **Racial Harmony Day**

Racial Harmony Day (RHD) marks the racial riots in Singapore in 1964. It is a sobering reminder of the fragility and importance of racial harmony in Singapore. RHD, along with 3 other commemorative events<sup>1</sup>, was introduced in schools for our students to learn how our pioneers overcame the odds and built the strong home and nation we are today. The school will commemorate RHD 2018 on **Mon, 16 Jul** during assembly. All students are encouraged to come to school in their ethnic attire and school shoes.

<sup>1</sup> The 3 other commemorative events are Total Defence Day, International Friendship Day and National Day. These are part of National Education (NE). Through NE, we aim to cultivate in our students a sense of belonging, commitment and rootedness to Singapore.

### **National Education (NE) Show**

The P5 student cohort will attend the annual National Education Show on **Sat, 21 Jul**. Details will be furnished to parents nearer to date.

### **SwimSafer Programme**

From this month, all P3 students will undergo 8 weeks of swimming. The SwimSafer programme aims to teach swimming proficiency and water survival skills in a fun manner. Parents would be receiving a separate notification on the details of the programme.

### **Traffic Management**

We experienced heavy traffic on the first day back to school (Mon, 25 Jun 18) along Lor 3, Toa Payoh. We would like to ask parents who drive to adhere to traffic rules for the safety of our students and fellow road users. Do not allow your children to alight on the outer lane for their personal safety. During inclement weather, parents who drive can let their children off along the entire stretch of covered link way extending outside the school to Trevista Condominium. **Be patient, be safe!**

### **Calendar of Activities**

The school calendar for Semester 2, 2018 is attached overleaf for your planning.

### **Significant Events in July**

Mon, 2 Jul	Youth Day School Holiday
Mon, 16 Jul	Racial Harmony Day Assembly
Sat, 21 Jul	P5 NE Show

We look forward to giving our students a standing ovation at the finale of our Arts Fest at the Singapore Conference Hall on Sat, 30 Jun. Our students and teachers have all worked hard for the momentous night. I came across a message board in a bookstore that read, "Do what you love". Indeed, in Kheng Cheng, we do what we love and love what we do, every day! We endeavor to be the magnet attracting students to indulge in the joy of learning in school! We look forward to your continued partnership this semester!

Sincerely,

Mdm Sarah Leong  
Principal
